## COMMUNITY DIAMONDS FOUNDATION, INC.

Dear Potential Community Partner:

The Community Diamonds Foundation, Inc. (CDF) was founded in 2009 and is a registered 501(c)3 non-profit organization. CDF is currently seeking sponsors to support our charitable giving efforts across West Georgia. CDF's primary focus areas are youth mentorship and college scholarships. We also partner with other local non-profits to serve the communities in our service area.

CDF has a long-standing relationship and partnership with the Carrollton-Douglasville Alumni Chapter (CDAC) of Kappa Alpha Psi Fraternity, Inc. CDAC has a very rich history of community service dating back to 2005. CDAC, known as a "Working Chapter," volunteers the man-hours that allow CDF to keep administrative costs to a minimum. The West Georgia area has benefited greatly from our grass roots partnership. CDF actively supports CDAC's "Guide Right/Kappa League" program which provides mentorship and guidance to young males attending middle and high school. We also actively partner with CDAC members to coordinate and promote various events to raise funds for college scholarships for local high school students. Since 2012, we have awarded more than \$15,000 in scholarships. Efforts are underway to award at least \$20,000 in scholarships in 2018!

The Community Diamonds Foundation would not be successful without the support of civic-minded patrons who want to assist our local youth – no matter their background – to succeed in life. We are requesting your assistance through a tax-deductible donation to the Foundation to help make that happen.

Any and all checks should be made payable and mailed to the Community Diamonds Foundation Inc., P.O. Box 5705, Douglasville, GA 30154.

If you have any questions or would like additional information, please contact me at (770) 328 6420
